

ACCOMMODATIONS

Poets Cove offers a mix of pristine wilderness and elegant sophistication, with a total of 46 units - 22 rooms in our main Lodge, 15 Cottages, and 9 Villas (a total of 74 bedrooms).

Our Lodge is handsomely designed in the Arts and Crafts style, using simple, natural materials and paying close attention to every detail.

Or choose one of our intimate Cottages or Villas featuring the same exacting standards of comfort and craftsmanship as our main Lodge.

Lodge Rooms:

Our beautiful Lodge offering world class lodging sits right on the waterfront and each of the Lodge rooms features a fireplace, glass-enclosed shower, deep soaker tub and balcony. All our rooms face west, so you can enjoy the breathtaking water views and unforgettable sunsets. You may choose from a King Bedroom or two Twin Beds.

Just outside your door, you'll find our heated swimming pools, hot tubs, fitness centre and world-class Susurru Spa, as well as our two restaurants, Aurora Restaurant, which serves fine West Coast cuisine, and Syrens Bistro, where you can enjoy classic comfort food and seasonal specialties.

Villas:

Our beautiful, spacious private vacation Villas offer you a true "home away from home" experience, with a full kitchen, a BBQ on an ocean-view deck, washer & dryer, gas fireplace, two full en-suite bathrooms and a powder room.

Our Villas are located between our Fitness Centre and adult swimming pool & hot tub, and just steps away from our tennis & multi-sport courts. You will have complete privacy with easy access to all Resort amenities.

Cottages:

At Poets Cove Resort & Spa our Cottages (12 two-bedroom and 3 three-bedroom) are nestled among the trees, just steps away from all the amenities at our Lodge. These intimate cottages have living and dining rooms, kitchens and fireplaces, soaker tubs, marble showers and heated bathroom floors. All have patios or private decks with ocean views, and some with outdoor hot tubs.
